

INVINCIBILITY FOUNDATION

APPLICATION

IF offers you professional consulting and fundraising services in support of realizing the projects entrusted to you by Maharishi Mahesh Yogi.

We invite you to take advantage of these services and look forward to collaborating with you.

To enter your application, please provide the following information:

1. All existing project documents with project title, description, justification, target group(s), estimates + budgets, funding plan if any, schedule, (building) plans, etc.
2. Describe the (measurable) benefits of the project for the target group(s) as well as the benefits for the general public and the (geographic) outreach of such benefits.
3. List the names of your project team and state the team members' roles, qualifications and background.
4. List the fundraising activities you have already undertaken, the donor groups approached, the amount raised so far and the funding sources with specific amounts.
5. Explain where you see the limitations with your current approach and why you need further support.
6. Any other useful material, such as brochures, images, flyers, donor endorsements, etc.
